THE OUTWORLDS: WAR TORRENT

Geminid Press, LLC, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. In *The Outworlds: War Torrent*, unlikely heroes are on a collision course with destiny amidst a desperate fight against radical evil. Early in the twenty-fourth century, human pioneers on the fringe of Earth's interstellar colonial frontier make a profound discovery: The first evidence of intelligent alien life. But the discovery now haunts humanity's past. Although the explorers judge the ancient alien species of space-faring reptilians, known as Angorgals, to be extinct, they also find evidence the Angorgals had reached Earth many centuries ago and were far more than mere visitors. When a surprise Sekkalan attack in the distant Sceytera System against Mokisia destroys a fragile peace between these two Angorgal subsects, a teenaged soldier-priest in training, Zy Kolt, will struggle with doubt, fear, and acceptance of his mysterious spiritual gifts in a quest to confront the evil Sekkalan threat. At the same time, the invasion shatters Major Krajenar Attazahal's reputation as a successful Mokisiaan intelligence officer, driving her down a desperate path of redemption to the very edge of survival in order to defend her home. Under siege, the Mokisiaans soon learn their alienated brethren have launched both a sinister and technologically superior offensive, one that threatens to inflict more than just military defeat upon them. The Sekkalan war is the start of a new interstellar crusade orchestrated by evil ethereal entities - the Ruuksauro - whose intent is radical genetic purification of the galaxy, and Earth's Stone Age humans are their next target.
