Housing Design (Classic Reprint)

By Eugene Henry Klaber

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Housing Design This book is for those who are concerned with the physical design of housing: architects, developers, lenders, and students. It has been written because in my nine years of Government service in housing, I had occasion to examine approximately two thousand proposals for housing projects and frequently found that the plans presented ignored elementary principles of housing design which should be common knowledge, which, in fact, are the indispensable tools of the craft. On the other hand there were many projects which were designed with great competence by architects with fresh and brilliant ideas. From these I have learned much; indeed, this book owes much to what they taught me. The attempt here is to express and illustrate these principles so that those who design housing may have them as a background and can go forward with their work without too much stumbling over details and the consequent waste of time. This is no encyclopedia of housing, nor does it pretend to give final answers to the complex problems of housing design, many...
