Excerpt: .had hired MacGregor s glens for game preserves, and the inhabitants had been exiled or exterminated. A new variety of nervous organism possessed the world. An organism as different from the organism which preceded it as is the organism of the ox from the organism of the wolf; and this latter organism found its chronicler in Charles Dickens, as its predecessor had found its bard in Scott. Read from this standpoint, the works of Dickens abound with suggestion. Reduced to its ultimate analysis, the fundamental difference between the antique and the modern social type consists in the elimination of courage as an essential quality in a ruling class. This quality being eliminated, the ideal of courage contained in the conception of the gentleman fell, and with the destruction of this conception went the capacity for enthusiasm, the sympathy with the instinct for self-devotion, and,...
