Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Wounded: The Long Journey Home from the Great War, Emily Mayhew, This is shortlisted for the welcome book prize. Wounded is the story of a journey: from injury on the battlefield to recovery in Britain. It is the story of the soldiers themselves, from the aid post in the trenches to the casualty clearing station in the rear, from the base hospital to the ambulance train returning them to Blighty. But it is also the story of those who cared for them - stretcher bearers and medical officers, surgeons and chaplains, nurses and ambulance drivers. People on the verge of collapse, overwhelmed by the sheer numbers of casualties and terrible injuries who, with determination and improvisation, saved hundreds of thousands of lives. Wounded is the story of the men and women who made it possible.
