Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.No matter who we are-no matter what our origin, our education, or profession-regardless of our values, convictions and experiences, we are all likely, sooner or later in our lifetime, to reach a turning point: a moment when we feel that if nothing changes right away we are in the face of death. Not necessarily a natural death but to a most certain spiritual and emotional demise; when our everyday life seems so trivial or so hard that we no longer wish to stay on that path. The purpose of this book is to provide with a practical frame of mind that creates a new meaning for what has been, and opens the gates of endless possibilities for what can be. Readers will be supported to productively synthesize breakthrough information and systematically apply it, in order to drastically change prevailing, non-productive thoughts and feelings; engage existing, latent talents and infinite capabilities to attain seemingly-hopeless goals; get beyond the conventional and onto a new sphere of thinking which will, in turn, reveal a new sphere of results. The book includes a Workbook, filled with exercises, processes, and daily tactics that will help readers reach the book s premise. By consciously applying the steps and through consistent training, readers will make the transition from a life of anxiety to a life of knowledge, from a life of struggle to a life of victory, and from a life of deprivation to a life of abundance. Begin the exciting journey that will change the way you see the world and positively convert your life to meaning and purpose.
